Dear Honorable Commissioners,

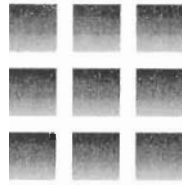

I am writing this letter to let you know that I'm fully behind Country Crossing and commend you for all your hard work in bringing this project to Dothan. I'm proud to serve as spokesperson for Country Crossing and I'm committed to making this project a huge success for Houston County.

To help promote Country Crossing, I'm going to make at least four appearances a year and am thrilled to announce my plans for bringing "Possum Holler", my signature restaurant and entertainment venue, to Dothan. As you may know, my wife and I frequent the Wiregrass quite often with our business dealings with Ronnie Gilley and are excited to be reopening Possum Holler in Dothan, Alabama. Nancy is already working on the grand opening invitation list.

*My wife Nancy and I can't wait to get this project underway and we thank you for your continued support of Country Crossing. We both look forward to meeting you on our next trip down there.*

Best regards

Dear Honorable Commissioners,

Please accept this letter as my unqualified endorsement of the Country Crossing Project to be located in Houston County. You and your economic development team are to be congratulated for recruiting this project to your community. This project, like no other in the nation, will anchor the growth of Alabama's tourism, entertainment and retiree industries.

Over the last 25 years in Nashville, I have established many successful relationships in the entertainment industry and I'm committed to the promotion and success of our Country Crossing Project. Several Nashville premier artists are going to be involved with Country Crossing. As the president and equity partner of Ronnie Gilley Entertainment, LLC, I couldn't be more excited about the future of this Project.

Your support of Country Crossing is greatly appreciated and I look forward to working with you in that regard.

Yours truly,

Dear Honorable Commissioners,

We wanted to let you know how excited we are about Country Crossing and commend you for all your hard work in bringing this project to Dothan. This is something the whole southeast needs to revitalize our different industries. Country music can prosper in this environment and the fans are happy to have a southeast destination to see their favorite stars perform. Nashville really serves as the business hub and not a place to see a lot of stars perform. We just wanted to let you know that a lot of us in the country music business are committed to making this project a huge success for Houston County.

Best regards.

Dear Honorable Commissioners,

When I found out that Houston County is where Country Crossing plans to call its home, I wanted to be one of the first to congratulate its leaders. Country Crossing is by far the best concept for the country music entertainment industry that I've run across during my twenty plus years in Nashville. I wanted to write to you committing my full support.

Here are some of the specific ways I plan to support Country Crossing:

- Establish a signature entertainment venue in Country Crossing ("Find Out Who Your Friends Are Saloon" or a "Tracy Lawrence Opry House")
- Make at minimum of four appearances per year, for a minimum of five years at Country Crossing
- One of my annual appearances will be at a Charity Golf Tournament which I'll personally host and invite my friends in the music and film industry

I applaud all your efforts and dedication in seeing this project through and can't tell you how excited I am to be a part of Country Crossing. I look forward to meeting you all the next time I come down there.

Sincerely,

  
Tracy Lawrence

Dear Honorable Commissioners,

I would like to extend my congratulations to the Houston County Commission for its success in attracting the Country Crossing Project to your communities. I am excited about the potential of the project, and to working again with my friend Ronnie Gilley of Ronnie Gilley Properties, LLC and its affiliates. Creating a signature fun-filled entertainment and dining venue that will be located in Country Crossing sounds like a wonderful proposal. Country Crossing's innovative concepts are sure to draw many visitors to Houston County and create a destination attraction that will drive economic growth for many years to come.

Thank you sincerely for supporting this Project. I look forward to the opportunity of meeting and working with all of you.

Respectfully,

Lorrie Morgan

Dear Honorable Commissioners,

I'm delighted to pledge my full support to the Country Crossing project. This is an exciting time for not only Dothan and the entire state of Alabama, but also for all of Country Music. I look forward to spending time at Country Crossing and plan on making at least four appearances there a year. I am also committed to establish a Darryl Worley signature venue, tentatively named the "Worley Bird Cafe".

I commend you all for your diligent work in bringing this project to Dothan and Houston County. It will be an honor to be involved in Country Crossing with the legendary George Jones. I'm very proud to pledge my name and all my support to this project.

This is an incredible opportunity to not just showcase country music, but to create a unique place where artists and music fans can join together. I'm very excited to have this great opportunity to become involved in such a first class project.

Respectfully

Darryl Worley

Dear Commissioners,

I am very proud to confirm my support of the Country Crossing Project in Houston County, Alabama. I commend you on such a successful recruiting effort. Please accept this letter as my pledge to do all I can to make this Project a huge success

I have been looking for something like Country Crossing for a while and I look forward to partnering with Ronnie Gilley Properties, LLC and its affiliates to create a place where we can set up a "John Anderson Steakhouse" or "Seminole Wind Grill," and be around down home folks that really appreciate good country music. That's what Country Crossing will be.

Thank you for your time, leadership, and consideration. I look forward to working with you on this exciting project.

Very truly yours,
